

## Written Question

**Date:** November 5, 2020

**Asked by:** John Main, MLA  
Arviat North-Whale Cove

**Asked of:** Honourable David Joanasié, MLA  
Minister of Education

**Title:** Trades and Career Training in Schools

---

1. What specific programs, modules and curriculum are currently available to Nunavut schools in the area of Trades and Career Training?
2. Broken down by community, how many Trades and Career Training programs, modules and or curriculum were delivered in Nunavut schools during the 2017-2018, 2018-2019 and 2019-2020 school years?
3. How does the Department of Education track and/or inventory the specific equipment and/or infrastructure needed to deliver Trades and Career Training programs, modules and/or curriculum?
4. What lessons were learned from the Pilot of the “Multiple Options” Program in selected Nunavut schools?
5. What specific barriers to increasing trades and/or career training opportunities within Nunavut schools have been identified by the Department of Education?
